Steve has been part of the GRI faculty for over 22 years, consistently scoring in the top 2% of the entire 60-instructor faculty. He also has spoken at the National Association of Realtors Education Directors meeting as well as the NAR Education Director's Workshop.

He has been frequent speaker at the Florida Association of Realtors State Convention, as well as several other state Conventions. A video of his presentation, "7 Proven Techniques to Succeed in today's Market" can be found on FAR's website. He has served as Chairman for Professional Development twice in Florida. He was 'State Educator of the Year' in 1997 and served as '08 Chairman of the FAR Leadership Academy.

Steve started in the real estate sales business in 1974 quickly rising to the top producing salesperson in CENTURY 21 Real Estate in Florida, selling over 100 million dollars in residential real estate during a 4 year period. That same year he started investing in real estate, and over 30 years later owns and manages over 600 properties.

He also served the Fort Lauderdale Association of REALTORS® as their President in 1992, and was 'REALTOR® of the Year' in 1993. Steve served as a Director of the Florida Association of REALTORS® (FAR) and the National Association of REALTORS® (NAR) for over a decade. He has twice been selected one of the 'Outstanding Young Men in America' by the US Jaycees.

Steve is a 11-time World Champion in Hydroplane racing and the **2008 and 2009 High Point Champion** in Unlimited Hydroplanes, the fastest propeller driven boats in the world. Steve currently holds the competition world record for an Unlimited Hydroplane, making him the fastest human on water for a competition lap.

During his career he's had over 500 career victories. The difference between winning and losing, be it racing or business, comes from these experiences.
