

Thank you for your interest in having an Interstate Truck and Tractor Pullers sanction event. Enclosed in this packet is all the information that you should need to promote your event with Interstate. You will need to complete the Event Registration Form(s) and mail, along with your insurance fee, to Danny Forrester NO LATER than April 1, 2016. Please follow all instructions and fill in the information completely so that we can correctly list your event on our Interstate schedule. If your insurance fee is not paid by April 1, 2016 then your event WILL NOT be listed on our schedule.

The insurance fee is \$850.00 for one day of pulling. If you have a two day or multiple day event (fair) then your insurance will be \$850.00 for the first day and \$450.00 each day for all additional days. The sanction fee is \$50.00 per pulling day, and this amount is included in the insurance fee.

You will be responsible for the registration of pullers during your event. The fee for registration is \$20.00. One free entry to the pulling event, for each pulling vehicle is to be refunded at gate entry or at puller registration. \$7 of that registration fee per puller in each interstate class should be remitted to the pullers' point fund. The point's money should be mailed to Danny Forrester along with a copy of your event results NO LATER than two weeks after your event.

All this information as well as additional event information is included in the Promoters Rule Book. Please take the time to read this so that you know what is expected of you as a promoter. If something comes up during your event or you need additional information before your event please call Danny Forrester 717-423-6672.

It is our goal to join forces with promoters in the interstate area to promote pulls for the community and pullers. We want to work together for one goal. If there is ever an issue please try to work it out with a member or organization within the interstate board. We want to keep growing our organization and continue to grow the sport of Truck and Tractor Pulling.

Thank you again for your decision to promote an Interstate Truck and Tractor Pullers event.

Respectively,

Interstate Truck & Tractor Puller Board Members

Danny Forrester, President
