

The village needs you! We are organising a Snow Angels project this year which will support people during the cold weather we are all expecting. We need a range of volunteers to provide services including snow clearing, shopping for neighbours, collecting prescriptions, befriending people, helping with energy advice, checking on neighbours during snowy and cold spells, knitting blankets, cooking extra portions of hot food to drop off, spending time having a cup of tea and a chat and anything else that you can think off.

We want everyone to be involved and we want all your ideas and offers to volunteer to make life easier this winter and are holding a meeting on Saturday 10<sup>th</sup> November at 11.00 am at the Golden Lion with tea/coffee and pastries. The meeting will be informal and the aim is to make sure that the project has wide support throughout the village and that we can recruit as many volunteers as possible.

There will be several short training sessions for our Snow Angels and we will equip you with ID badges, hi-vis tabards, and everything else you will need.

If you would like any further information about the project, or if you are interested but are unable to attend on the 10<sup>th</sup> please email [cathy@snowangels.org.uk](mailto:cathy@snowangels.org.uk) or contact Ash-Worth Timebank on 01829
