Dear Laura

The Prime Minister has asked me to thank you for your recent letter.

Mr Blair is always pleased to hear from young people and was interested in your views on the environment.

Mr Blair would like to reply personally, but as you will appreciate he receives many thousands of letters each week and this is not possible.

The matter you raise is the responsibility of the Department for Environment, Food and Rural Affairs, therefore he has asked that your letter be forwarded to that Department so that they are also aware of your views.

Mr Blair sends you his good wishes.

Yours sincerely

G EDWARDS
