

NUHW Luther Manor members Win R-E-S-P-E-C-T

On Friday June 8, our elected bargaining team took our concerns to the table after a super majority signed petition demanding that workers receive respect at our work place.

We are excited to announce that we have tentative agreement with language that will allow us to gain respect and have our concerns heard and addressed.

“Today’s bargaining session went well We TA’d language that was well over due, this was an important element that we all needed here, this will help all strive for a better atmosphere so that we can really concentrate on why we are really here - for our residents”.

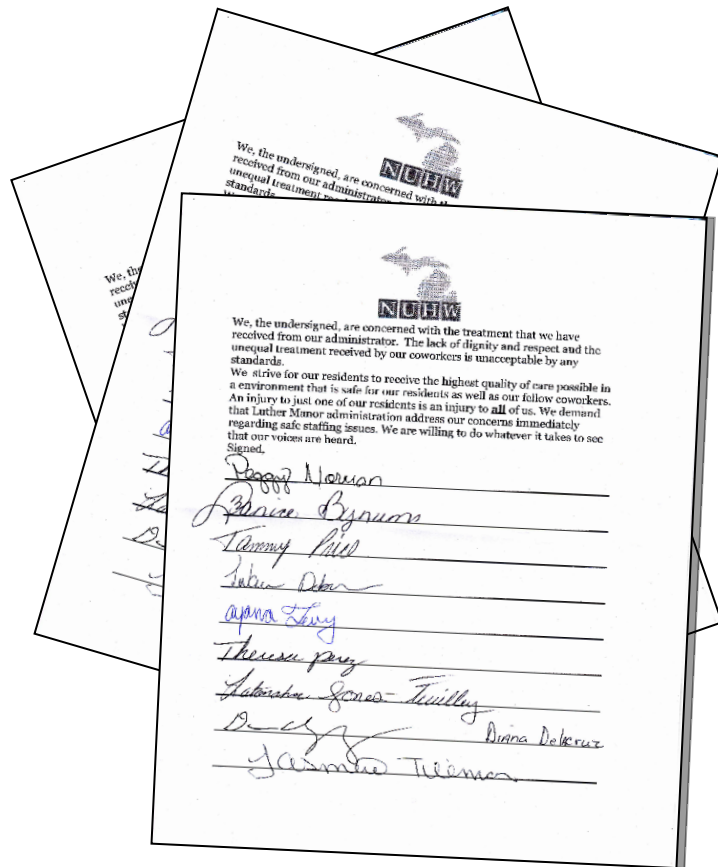

Danette Alaniz (Dietary)

“Want everyone to know that bargaining is going well, still a few issues to go, but this would not have been possible without the support of the members and getting involved, united for a better contract with NUHW”

Peggy Norman (medical billing)

“what a great day.. Everyone on committee did a great job in voicing their concerns, we are almost there, just a few issues, thanks to the support of our fellow coworkers”!!

Olga Vasquez (certified nursing assistant)
