Attention NUHW members at Doctors Medical Center of San Pablo

Last week the members approved their bargaining platform 91 yes votes and 1 not voting.

On Wednesday, June 20, at 11AM negotiations will begin with DMC management in the DMC Auditorium.

At Wednesday's session, the union will present our language proposals and we will set up a schedule for the negotiations.

Negotiations are open to union members if you are off duty or on break.

Come and observe the negotiations process and support your bargaining committee.
