

Bargaining Update!

On Tuesday, we showed management our commitment for a good contract. They listened, and now we are just steps away from ratifying our contract!

We are awaiting confirmation about the following issues:

- ✓ Health Insurance
- ✓ 8% raise over the life of the contract
- ✓ Just Cause language preserved
- ✓ PTO accrual standards preserved.
- ✓ 2% Bonus for hours paid on the 12 months prior to 9/30/12.

As soon as we get confirmation, we will vote to ratify!

For questions or concerns please contact a bargaining team member or your Union Organizer, Mary Beth Schuler at 415-498-0612.
