

# **First Bargaining Session: Lots of Questions But Few Answers About The Merger**

**In our first bargaining session with Children’s Hospital our elected bargaining team presented most of our non-economic proposals. Our proposals are largely to maintain the language of our current contract while fixing some the problems created by SEIU.**

**Most of the discussion centered on the UCSF merger. The Administration bargaining team refused to share any official information at this time.**

**Our committee proposed the following guarantees in the event of a merger or sale of the hospital:**

- 1. That the new entity hire all or substantially all employees and that employees not be forced to reapply for their jobs.***
- 2. That the new entity recognize our union and our contract—maintaining all wages, benefits and workplace rights.***

**We await management’s response to our proposal in our next bargaining session on December 17th.**
