**Co-Chairmen's Message:**

With great pride and pleasure, we welcome you to the Iota Beta Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated fundraiser event. Project Pink Runway Fashion Show "A Taste of Fabulous Fashions".

As you may be aware, our organization is a pioneer in organizing fundraisers to benefit our scholarships and community service programs.

We are very proud to provide a common platform through our fashion show fundraiser to showcase and highlight local Colorado Springs businesses.

We are equally proud to imbibe Alpha Kappa Alpha Sorority, Incorporated values, traditions and culture among the Colorado Springs community through our programs.

With great social and cultural value, our fashion show fulfills the underlying purpose of raising funds for our organization's charitable causes.

The poet Ralph Waldo Emerson once said, "To know that one life has breathed easier because you have lived, this is to have succeeded." In this spirit, we have encouraged, motivated, and guided our members and community partners in taking up charitable causes in partnership with our fashion show fundraising efforts.

We are very thankful for all of our sponsors, donors and vendors for their contributions and participation with making this event eventful.

We appreciate our committee members for all of their hard work and support. We also appreciate all of our chapter members for their participation and dedication to the success of our Project Pink Runway Fashion Show "A Taste of Fabulous Fashions".

Sincerely,  
Aressa Kelley & Desiree Terrell, Co-Chairmen

***Mistress of Ceremony  
Carrie Scott***

Carrie Scott began her career more than 25 years ago as a runway model. In recent years she has worked widely in the Denver and Kansas City areas. Her expertise extends to all phases of the business, coordinating, commentary, and producing fashion shows. Harmonizing the designer, merchant, choreographer, make-up artist, hair stylist, and technical crew, she has become so well known. Carrie’s rich, melodious voice is perhaps her most outstanding feature and has led her to work in radio, commercial and voice-overs. It is certainly a key element in her outstanding fashion commentary.

**Alpha Kappa Alpha Sorority, Incorporated** (AKA) was founded on a mission comprised of five basic tenets that have remained unchanged since the sorority's inception more than a century ago. Alpha Kappa Alpha's mission is to cultivate and encourage high scholastic and ethical standards, to promote unity and friendship among college women, to study and help alleviate problems concerning girls and women in order to improve their social stature, to maintain a progressive interest in college life, and to be of "Service to All Mankind".

The small group of women who founded Alpha Kappa Alpha Sorority in 1908 were conscious of their privileged position as college-trained women of color just one generation removed from slavery. But at the same time, they were sensitive to the needs and struggles of the less fortunate in underserved communities in their hometowns and in other environs beyond their travels who were in need of goods, services and opportunities beyond their reach. The young collegians' commitment to scholarship, leadership, civic engagement and public service, woven together by the bonds of lifelong sisterhood, formed the bedrock of the rich legacy of servant-leadership that epitomizes the sorority to this day. And the global reach of its programs, laser-focused on the health, wealth, family, education, human rights and parity issues that concern its constituents, ensures the relevance of the organization into perpetuity.

**Iota Beta Omega Chapter** was founded in November, 1970 in Colorado Springs, Colorado. The chapter was founded so that the legacy of Alpha Kappa Alpha would have an impact on the community. As the first Greek Letter Organization for African American Women, there was a strong desire to perpetuate our sisterhood and continue our creed of Service to All Mankind. —*The Peak of Timeless Service*

Iota Beta Omega continues the service with numerous programs and support to others serving our community. For more information about Iota Beta Omega Chapter and our programs, please visit us at <http://www.akaiotabetaomega.org/>
