

The Fifth Day of November
The Holy Fathers of the Local Council of the Russian Church

Troparion, Tone 6

Today the grace of Holy Spirit hath gathered us together / to glorify the fathers of the Council of the Russian Church / together with the Holy First Hierarch, Tikhon of Moscow, / who blessed the faithful people of our land / for the spiritual feat of confession of right belief // and glorified our Church by his sufferings.

Kondak, Tone 3

Enduring persecution and suffering even unto death / and denouncing the destruction of the Orthodox Russian Kingdom, / the fathers of the Council of our Church / call the faithful children to repentance / and bless them to stand firm for the Faith of Christ.

Magnification

We magnify, we magnify you, / O holy fathers of the Council of the Russian Church, and we honour your holy sufferings, which ye endured for the sake of Christ.

Another Magnification

We magnify, we magnify you, / O holy hierarch, Father Tikhon, / and ye holy fathers of the Council of the Russian Church, / and we honour your holy memory, / for ye pray for us // to Christ our God.
