Preparing for your training

The Lightning Process® is a training programme, not a treatment or a therapy so you need to be ready to learn. Our experience is that if people apply the skills/tools that they learn from doing this course, then they are able to make changes to achieve new levels of health, wellbeing and happiness.

The Lightning Process is all about you and your future. As it is your future, you will have the biggest role to play during the seminar, will have to do the most work and be very determined. This is why we recommend that you have more of a commitment to the training and success than just 'wanting to give it a go'. Having said that, you will not be alone on your journey, I your practitioner will be there for you before, during and after the course to help you to keep putting the Lightning Process into practice.

We have found that the very best way to help you to prepare yourself to get the most from the training is to read/listen to the book/audio book 'An Introduction to the Lightning Process' which is available from the office or website www.lightningprocess.com. Also take some time to read through the website, especially the feedback and stories from people who have already done the Lightning Process. If you know anyone who has done a Lightning Process course, ask them about their personal experience of the Process and contact me if you have any specific questions you would like to discuss.

1. Have you read the book/listened to the audio book/had the book read to you? Yes[] No[]

If you feel that you are ready to take the course, then please complete this form. Before you are accepted on to the course I will contact you by phone to introduce myself, to ask you some questions about your understanding of the Lightning

Process and to answer any questions you may have. Through discussion with you, we will assess whether this training programme is right for you at this time and provide you with any pre-course coaching required to help you prepare yourself for the training.

About the Lightning Process Course

The course usually takes place in small groups and is carried out over 3 consecutive days. Each day is approximately 3-5 hours including breaks.

Conditions of Payment

Once paid you have seven days to cancel your booking and receive a full refund if training has not commenced. After this fees cannot be refunded in the event of a cancellation on your part, or a failure to complete the training. This is because I run small group trainings with limited spaces; if you take up a space and cancel, no one else will be able to fill it once the course starts. However, if you cancel at short notice and we are able to fill your space your fees will be refunded. I reserve the right to terminate your training if we feel your continued participation would be unhealthy or unhelpful for you or another member of the training group. Your fees will not be refunded in these circumstances.

Cancellation of Seminars

On occasion unforeseen circumstances may make it necessary for me to cancel a seminar and accordingly we reserve the right to cancel seminars where appropriate. In such circumstances you will be given as much notice as possible and I will either refund the full seminar fee or, if you request, move the training to an alternative date. Liability for any losses other than the seminar costs will not be accepted.
