Pines of Rome opens with *Job - A Masque for Dancing* by Vaughan Williams. This rarely heard orchestral masterpiece, originally composed as ballet music, is a series of vivid musical portraits inspired by William Blake's "Illustrations of the Book of Job."

The famous Sinfonia Concertante for violin, viola and orchestra by Mozart features Graeme Jennings and Yoko Okayasu as soloists. Graeme, a former Concertmaster of QYS and former member of the Arditti String Quartet, is now a

Senior Lecturer at the Queensland Conservatorium, and Yoko is the esteemed Principal Viola of the Queensland Symphony Orchestra.

The concert concludes with the wonderful tone poem, *Pines of Rome* by Ottorino Respighi. Full of the beauty and grandeur of ancient Rome, this will be a spine tingling finale to this concert.
