The Choice of the Knowledgeable

The ALLARD J.2.X. Competition
2 Seater - Custom Built Body

- De-Dion Type Rear Axle
- Divided Front Axle
- V8 Engine
- Coil Spring Suspension
- Lockheed Hydraulic Brakes
- Al-Fin Drums
- Marles Steering
- 6½" Ground Clearance

Styled to meet the approval of the most critical, the ALLARD J.2.X. Competition two seater offers the enthusiast a real opportunity to participate, and be well placed in the seasons classic events.

Installation equipment can be provided enabling a Cadillac or Chrysler V.8. motor to be fitted, according to individual taste.

With light but positive steering at all speeds - powerful progressive Lockheed brakes - the famous unique divided front axle with the De-Dion type rear axle - and coil suspension on all four wheels; it is a most delightful car to handle either on the track or on the highway.

The standard model has a two door aluminium light weight body with cycle type front wings and aero screens.

The Le Mans in Aerodynamic styling conforms with International Sports car regulations.

Both body styles can be fitted with wire wheels and knock off hubs, and full width windscreen and hood at extra cost.

Body and real leather upholstery colors to choice.

Performance Extraordinary!

At the 1952 Monte Carlo Rally the Allard P.1. Saloon had an outright win against 328 competitors ... scoring the first British Victory in 21 years.
