

Reminders . . . April 2nd, 2018

Day 1 of the new season is here!

Don't forget this very important ToDo ...

New Season Registration ... All families, including Annual Members, must re-register each season and complete all agreements and waivers.

USA Swimming has several mandatory Waivers we are required to have on file each season; these are included in the registration process. Current Annual Members should select "Current Annual Member" when completing registration

Be sure to update any changes to contact information, membership options, and apparel sizing information (especially t-shirt size) for all swimmer(s) in your team account.

Contact Coach Laurel Liberty with questions regarding registration. **[Click here to go to the Registration Page.](#)**

Practice Schedule

Over the break we moved our LFSC web accounts to the Google Non-Profit "G Suite" calendar, apps, and email. Our new calendar went *LIVE* and has been updated on our website. If your personal calendar was synced to the LFSC Calendar you may have to re-sync to the new calendar.

Our old email addresses are set to forward through August but it makes sense to update your contact list now:
