

Entrepreneurship Speaker Series  
hosted by the American Chemical Society - Greater Houston Section

## **Choosing an Entity for your Business and Financing Transactions for Startup Companies**

### **Featuring:**

Brett Slobin, Slobin & Slobin, P.C., and Robert Rapfogel, Corporate and Securities at Key Energy Services, Inc

The event will feature two presentations on forming and sustaining a business entity. Brett Slobin's presentation will include a discussion of the formation of business entities in Texas, the more common types of business entities chosen for business formation, as well as some of the factors that determine which business entity is right for your business. Bob Rapfogel's presentation will include a discussion of financing transactions for privately-held startup companies, including private placement exemptions for securities offerings, general differences between public and private companies, and a few highlights on disclosure requirements to which publicly-held companies are subject

**Wednesday, May 5<sup>th</sup>, 2010**
