Major State of New York municipalities* across Lake Ontario from Toronto-area nuclear facilities (Pickering nuclear power plant with 8 CANDU reactors, about 20 miles to the east of Toronto city limits; Darlington nuclear power plant with 4 CANDU reactors, about 50 miles east of Toronto; Cameco uranium processing facilities at Port Hope, about 70 miles east of Toronto):

Lake Ontario/State of New York

Rochester, NY

Oswego, NY (note, this is the location of three atomic reactor: Nine Mile Point Units 1 & 2, as well as FitzPatrick)

Watertown, NY

*There is a large number of smaller municipalities on the New York State shoreline of the Lake Ontario. Most of them also draw their drinking water from Lake Ontario.
