Washington, DC  20036

Dear Ms. Curran:

We received your Freedom of Information Act (FOIA) request on September 25, 2018.

Your request, which seeks access to records involving past, existing or proposed harvesting of aged materials from operating nuclear reactors and decommissioning or decommissioned nuclear reactors, has been assigned the following reference number that you should use in any future communications with us about your request: NRC-2018-000831.

To ensure the most equitable treatment possible of all requesters, the NRC processes requests on a first-in, first-out basis, using a multiple track system based upon the estimated time it will take to process a request. Based on your description of the records you are seeking, we estimate completion of your request will be on or before November 15, 2018. This request has been placed in the Complex track based on the number of offices that will need to conduct searches and the anticipated high volume of records involved.

Please know that this date roughly estimates how long it will take us to close requests ahead of yours in the respective track and complete work on your request. The actual date of completion might be before or after this estimate, based on the complexity of all of the requests in the Complex track. We will advise you of any change in the estimated time to complete your request. In an effort to process your request promptly, you may wish to narrow the scope of your request to limit the volume of potentially responsive records.

For purposes of assessing fees in accordance with our regulations (10 CFR 9.33), we have placed your request in the following category: Other.

You requested that fees be waived for your request and I have determined that your justification is adequate and fees will be waived for those records which are responsive to your request.

The following person is the Government Information Specialist who has been assigned responsibility for your request: Ruthanne Murray at 301-415-1215 or Ruthanne.Murray@NRC.gov.

If you have questions on any matters concerning your FOIA request, please feel free to contact the assigned Government Information Specialist or me at (301) 415-7169.

Sincerely,

Stephanie A. Blaney /s/
