January 29, 2010

The Honorable Steven Chu
Secretary U.S. Department of Energy
1000 Independence Ave., SW
Washington, DC 20585

Dear Secretary Chu,

We would like to meet with you regarding our nation's energy policies. As you know the groups noted below have represented the civic engagement in energy policy and public participation for many years relating to fossil fuels, nuclear energy, alternative energy and energy efficiency. There are several initiatives that you, as Secretary of Energy, can undertake to break new ground in the energy priority area, among others.

Tyson Slocum, Director, Public Citizen’s Energy Project; Michael Mariotte, Director, Nuclear Information Resource Service; Jim Riccio, Nuclear Policy Analyst, Greenpeace; Paul Gunter, Nuclear Reactors Specialist, Beyond Nuclear; Rob Cowin, Clean Energy Director, Union of Concerned Scientists; Ben Schreiber, Climate and Energy Tax Analyst, Friends of the Earth and; Michele Boyd, Safe Energy Program Director, Physicians for Social Responsibility.

Are you available for a meeting during the week of February 15th? If not, please indicate suggested dates.

Thank you.

Sincerely,

Ralph Nader
