

CATA Circular No: TC 2017

4th August, 2017

Dear Member

Subject: 38th CATA Annual Technical Conference, 2017

The Government of Ghana through Ghana Revenue Authority in partnership with the CATA Secretariat will host the 38th Annual CATA Technical Conference in Accra, Ghana from the 6th to 10th November, 2017.

Theme: *Leveraging technology to enhance revenue administration*

The following topics will be discussed:

- (i) *Facilitating, monitoring and enabling compliance through technology*
- (ii) *Equipping staff with skills to deliver in an increasingly digital environment*

Conference background papers

A separate memo has been sent to all the member countries requesting for submission of background papers. A set of questionnaire to guide the compilation of the papers was also attached to the said memo. The final date of submission of papers is 15th August, 2017. It is important that member countries do submit their background papers as these will be used in highlighting the relevant thematic issues for discussions at the plenary and parallel sessions as well as in identifying the appropriate resource persons and speakers.

Special invited guests do not have to furnish background papers.

Conference Agenda

Details of the Conference programme will be circulated to all members and invited Special Guests in due course. The CATA website at www.catatax.org and the Conference website www.cata38.gov.gh will also be updated regularly on conference related matters.

Language

The Conference papers and deliberations will be in English language only. There will no interpretation or translation services

Venue:

The Conference will be held at **Movenpick Ambassador Hotel** in Accra.

Logistical information

Information Note is attached herewith for your reference and guidance.

I look forward to welcoming you in Accra, Ghana.

Yours Sincerely,

Duncan Onduru
Executive Director
