The Senior Leadership Programme focuses on the development of leadership skills and their practical applications. It is tailored for those currently in senior leadership positions and those aspiring to assume those roles in the near future.

The programme is split into two parts:

Part 2 - United Kingdom (Lincoln and London) from 22nd July to 9th August 2019

The course is fully residential and participation fees are £4,950 per delegate for CATA member countries. Sponsorship funding may be available for some delegates to cover the course fees, accommodation and travel expenses.

Full details of the programme content and the funding arrangements are included in the prospectus (attached). Also attached is the application form. Please note that all applications must be authorized by the applicant's tax authority and will only be considered if submitted within the deadline.
