

Consistent with our mission, to provide food, shelter, and compassion to those in need, in order to help achieve physical and spiritual well-being, the Glory Hall tries to provide a peaceful atmosphere, conducive to well being. In order to achieve such an atmosphere, the Glory Hole asks that everyone, anywhere, inside the Glory Hall must have a blood alcohol level below .1. Thank you

SHELTER SERVICES

We are an emergency shelter facility. Our emergency shelter hours are as follows:

Check in 9:30PM

Check out 8AM

Note: Your first emergency shelter night is free. The second and all subsequent nights are covered by a chore slip that can be obtained by signing up and completing one of the many chores necessary to keep the facility running or \$10.

Another Note: Everyone over the age of 18 can stay at our emergency shelter. A person can stay here for 30 days, every calendar year. If things are not going well, and a longer stay is necessary, a standard 30 day extension can be obtained. After 60 days, a person must enroll into our PATH program in order to be able to stay at the Gory Hole. To learn more about the PATH Program, please email our Outreach Coordinator, at info@feedjuneau.org or call 586-4159 ext 2.

Last Note: If you are working or have and need to check in after 9:30, please call 419-1186.
