Vol. 266

MONTHLY NEWSLETTER

July/August 2014

He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God; and being fully persuaded that, what he had promised, he was able also to perform. Romans. 4:20, 21

It is better to trust in the Lord than to put confidence in man. It is better to trust in the Lord than to put confidence in princes. Psalms 118:8, 9

Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ. Philippians 1:6

Our lives, our work and our all are dependent upon the grace and mercy of our Great God and Heavenly Father. He is the One who has begun the work, He is continuing the work and He will, in His time, finish the work in our lives and ministry. May it all be to the Glory of the Son of God, our Savior Jesus Christ.

After our Graduation and conferences, the Lord continued to bless us with help and service of our visiting missionaries from the **United States**. In the month of July, we had the opportunity to work with our friends and brethren from **Broadmoor Baptist Church** medical mission team. Led by minister **Larry Williams** and doctors **Mook, Rozeman**

Broadmoor Medical

and Fleming, this team, once again, was an instrument in the hands of God to share the love and message of Jesus Christ. Holding nine clinics during the week and treating over 1500 patients plus children, we saw a modern day glimpse of what it was when the Lord saw the multitudes and had compassion on them. Moved by the Spirit and Love of Jesus himself, our brethren gave their time and skills to help with the physical and spiritual diseases of those coming to each clinic. Every person that came for help received a strong message of Hope through our brethren and our Bible students and staff. They all worked together as a big family with one heart and mind. We are espe-

cially grateful to the Lord for the faithful leadership of **Larry and Jean Anne Williams** in this medical mission ministry. For almost thirty years, the Lord has used them to encourage and help many others to come down and experience mission work outside the United States for the first time. As always, the doctors and their teams gave of their strength and means to the utmost to serve others in the Name of our Lord!

Our students and church workers who trained in our **VBS Workshop** earlier this year with Author-Teacher **Linda Webb**, launched the VBS program, "The Caves tell His Story", throughout southern Mexico this summer. Using these materials, the Second Year students presented the message of God's work and plan through history and how the Holy Scriptures have been preserved by God unto our present day. They served in a total of fourteen churches in the mountain villages of **Oaxaca**, holding

Larry and Jean Anne

Vacation Bible Schools in each place for a week. Also here on campus, we had our yearly VBS for the neighborhood children. As always, there was a great response with well over one hundred in attendance each day. The girls from **Delhi Hills Bible Chapel** led by **Kara Landis**, once again joined forces with **Alfredo Arce** (in charge of Children's

Arce and Caves VBS Team

Ministries at MITC) and several of our first year students to teach and serve these little ones in the love of Christ. Most of the children come from non-believing households, but through this special week of classes, crafts, games and songs, all pointing to the Person and Work of Jesus Christ, we know the Message also made its way to the parents at home. The men of this group from **Cincinnati** worked at the **Pochote** construction project with Pastor Fernando, mixing cement, hauling mortar, speckling, etc. It is a blessing to see this project at Pochote advancing towards completion. Many people are inquiring about an opening date for the ministry to help young teens from Christian homes and churches with addiction problems. We are thankful for the help of our brethren from Delhi Hills and pray for God's provision and direction for this ministry of the Grace Church at El Pochote.

Our third year students, led by teacher **Jimmy Roblero**, were greatly used by the Lord as they staffed this year's summer youth camp. Serving as counselors and camp guides, they helped the young people in all their activities during the day (and parts of the night) in which essential spiritual principles were taught and illustrated during this five day experience. Once again, the Lord greatly used **Brother Bill Britt** as our camp preacher, touching many hearts with the Truth of living for the Lord and serving Him with all our hearts. Another vital part of the camp team was the group from **Florida**, led by **Pastor Danny Giltner**. They worked

Bill and Wendy Britt

Florida Camp Team

in the kitchen and dining hall preparing and serving food, helping with cleanup and also during each session, they presented dramas with an evangelistic message. God greatly worked in the lives of the two hundred campers, bringing many to see and respond to their need of Salvation in Christ. Many others surrendered their lives to prepare for the Gospel ministry, with several of these now enrolled in the Bible School! Praise the Lord for His work among us in the camp.

The **Lamar Nelson** family has been a great blessing to us throughout the history of MITC starting with his mother, **Audna Nelson**, who served in the early days of the work as secretary. Now, almost fifty years later, God gives strength to an elderly Lamar as he continues to serve the Lord among us leading work groups down each summer. God greatly blessed our time together with this multi-church group and the ministry of **Price Harris, Joey Ketchum** and **Deborah Moorehead**. While several worked on campus doing maintenance and construction, the ladies helped Pastor Fernando and the church at El Pochote with their VBS. Thank God for His faithfulness and also giving each of us a place to serve in His kingdom. May He continue to work in and through us all, both here and in the United States for the glory of Jesus Christ.

Thank you so much, for reading this letter, praying for us and for all your love and support.

Lamar Team 2014

Yours by His grace,
*Dan and
 Chryz Hall*
