Then I heard the voice of the Lord, saying, "Whom shall I send, and who will go for Us?"

Then I said, "Here am I. Send me!" ~ Isaiah 6:8 (NASB)

How lovely on the mountains are the feet of Him who brings good news, Who announces peace And brings good news of] happiness, Who announces salvation, And says to Zion, "Your God reigns!" ~ Isaiah 52:7 (NASB)

How then will they call on Him in whom they have not believed? How will they believe in Him whom they have not heard? And how will they hear without a preacher? How will they preach unless they are sent? Just as it is written, "How beautiful are the feet of those who bring good news of good things!" ~ Romans 10:14,15 (NASB)

The words of the prophet Isaiah written 2,600 years ago resonate mightily today as we see a living fulfillment in each one of our students who have come to train at MITC. For the first three years, they learn the Scriptures, Christian life disciplines, and many other skills to help in the ministry. Then in their last year, the Year in Practice, they say again, "**Here am I, SEND ME**" and go to the mountains literally to take the GOOD NEWS, the Gospel of Jesus Christ to people in many remote areas of Mexico! Praise God for calling them saying, "whom shall I send?" Praise God for their answer saying, "Here am I send Me!" It is a such a blessing to be part of God's work in these students lives. We never cease to be amazed at the way the Lord uses His Word through these young people to continue extending His grace and salvation to other individuals, towns and villages for the glory of Christ. This year, the Lord allowed us to send out seven youth to help churches and missions that requested missionaries and Christian workers to proclaim the saving Message of Christ. This year's 4th year students are **Amalia, Eleazar, Jahaziel, Karen, Kevin, Miriam and Sara**. After having them living here for three years, it is always tough to say goodbye and entrust them to the Lord's care as they go away, but we know God is graciously and powerfully using each one of them for His glory. We will be sharing regarding each one of them in the upcoming Prayer Letters, so keep reading!

We have a special commissioning meeting with these students to inform them where they will be serving during their last year. We have many requests asking for help of our students, especially from the mountain missions where it would be very difficult to have any kind of outside ministry work or missionary. There are always many more requests than we can fill. So, we must continue praying that the Lord will raise up more and more students for the Gospel Ministry. This year at our commissioning service, we were blessed to have our brother **Gary Richardson**, who for years has been coming especially at this time to encourage and pray with our students before they go out. We thank the Lord for Gary and his heart for our students.

During this time of "commissioning and sending out," we had a tri-state group (Texas, Ohio, **Indiana**) led by **Gary Richardson, Eber Flores and Dick Patterson**. With five churches represented, they came down also responding with a *Here am I send*

me "type" heart. They all joined together and worked and served here on campus and at many other places sharing the love of Christ. Preaching, children ministries, leading in singing and worship, women ministries, welding, carpentry, sewing, cooking, cleaning, building church pews, visiting orphanages, painting, pouring concrete and visiting mountain villages, were some of the acts of love done by our visiting brethren. Their presence was an encouragement not only to the students going

out for their year in practice, but also for the new students coming to study starting their first year. They have left their homes and family to come and serve the Lord and start to train for ministry at MITC. We are thankful to the Lord for our brethren who came to serve with us.

It is always a special and exciting time when we are able to go into a village **for the first time** with the Gospel via a dental clinic or medical team. This was the case **again** with our brethren from **Woodcreek Church** led by **Chris Miller**. This team, which provides a totally mobile dental clinic with three doctors and helpers, is able to go into an area they have never been before. Then, within an hour they set up a fully equipped clinic and receive patients and treat almost any type of dental needs the people have. We have partnered with Dr. Chris and his friends for many years. With God's hand of blessing and working through their love for Jesus and their outstanding dental skills, a tremendous impact is created in the hearts of people coming to receive treatment. As the individuals who come

for help see and receive the benefits of Christian generosity, there is an undeniable witness of God's goodness through our brethren's lives. This year the new site for sharing the Gospel through the dental team was a village up among the **Nahualt Indians**, called **Aguacuitlapa**. While dentists worked on their patients, our students and staff shared the reason these missionaries from the USA had come to visit them way up in the mountains, i.e. the Love of Jesus Christ and to share His Message of Salvation. There is no church in this place, but through the testimony given in neighboring towns of the help provided by the Dental Clinic, the doors were opened to go and serve at this new place. God touched many lives and we hope to soon see a home opened to receive Bible studies and be a starting point for a new church work in the Lord's time. Our brethren from Woodcreek were greatly used by the Lord as they also worked in the villages of **Tepatlazco** and

Neria during this trip. We thank God for Woodcreek Church and for brother **Chris** and his faithful service to the Lord and to the people of Mexico for many years and for helping others to respond to God's call to be sent as messengers of the Good News of Christ! We are grateful and to God be the glory!

Really, the call to “GO” for the Lord is for each and every child of God. Once we have come to know and believe in the Lord Jesus Christ as our Savior, the next thing is to go and share His grace with others. It may be a very close or short going, to someone in our family, or friends, or neighbors. Or maybe this going will be to another state of even a foreign country. God has chosen to use MITC to enable many, both from the USA and, of course, the many called to ministry and service here in Mexico, to GO and speak for GOD the Good News of Jesus Christ. We pray and ask your prayers that God would keep using us for this purpose until we see Him face to face.

Thank you for your prayers, your support and your love, all of which God uses to continue extending His kingdom in this part of the world. Please keep on, for the glory of Christ and the blessing of many here in Mexico.

Muchas gracias, God bless you!

By His grace,

Dan & Chuy Hall
