CRUZ SAFETY BAR

OPTIONAL ACCESSORY (Sold Separately)

STEP 1

PRE-ASSEMBLE SAFETY BAR

1 PLUG HOLES IF CUP HOLDER KIT IS NOT USED

Cap holes with plastic plugs (A) if Cup Holder Kit is not used.

If a Cup Holder Kit is used, do not cap.

2 INSTALL CROSS BAR

NOTE: If installing on a Club Car Precedent, install the cross bar using the top holes (shown), for all other makes/models install using the bottom holes.

Cap the unused holes with plastic plugs (A).

3 INSTALL SAFETY BAR BRACKETS

Install the Safety Bar brackets using (C) on the top and (D) on the bottom.

The nuts install on the Bracket side.
