## GREAT WAYS TO CELEBRATE!

When you have completed The H2O Project, it's time to **celebrate!** Here are some great ways to do just that.

- ▶ Count your funds as a group. When you have the total, divide by 10. That's the number of **lives you have changed!**
- ▶ Distribute " **I gave H2O**" stickers. Display them on your shirt or on a favorite bookcover.
- ▶ Ask a local restaurant to donate coupons for a free beverage or sandwich to each participant. ([sample request letter.](#))
- ▶ Serve ice cream floats as a project wrap up. (Your local grocer might even donate the supplies.)

**OR**

- ▶ Develop your own celebration plans and send them to [info@theh2oproject.org](mailto:info@theh2oproject.org) so that we can post them on this page!

***THE H2O PROJECT: Bringing water to the world by moving from consumption to contribution.***
