

Four Seasons Theatre

Introducing our 2015-2016 season!

The Light in the Piazza

book by Craig Lucas ■ music & lyrics by Adam Guettel
December 2015

The winner of six Tony awards, including Best Original Score, *The Light in the Piazza* follows Margaret Johnson and her daughter Clara on their vacation in Italy, where the return of a windswept hat by a handsome stranger sets the pair on an unexpected journey. A lush, soaring score by Adam Guettel (*Floyd Collins*) brings this tale of love, regret, and hope to life.

"Anyone who cares about the rather uncertain future of this truly American genre should — must — see the show... the music, though fluctuating between the Sondheimesque and offbeat but still Broadwayish and the art-songlike and even operatic, is steadily absorbing..."

John Simon, *NY Magazine*

Cabaret @ the Circle

Four Seasons Theatre continues its *Cabaret @ the Circle* series in cooperation with the Wisconsin Union Theater. The Fredric March Play Circle provides the perfect setting for FST's vocalists to create an intimate cabaret experience, full of songs and stories.

Outreach Programs

Four Seasons Theatre outreach programs engage a variety of audiences, many of which would not have access to live musical theatre: retirement communities, assisted living facilities, adult day centers, senior centers, schools, libraries...and our outreach efforts expand each year. With scalable programs for different settings and events, Four Seasons Theatre brings high-quality musical theatre entertainment to the community at large.

Monty Python's Spamalot

music by John Du Prez, Eric Idle, & Neil Innes ■ book by Eric Idle
August 2016 ■ in collaboration with the Wisconsin Union Theater

Based on the 1975 Monty Python film *Monty Python and the Holy Grail*, *Monty Python's Spamalot* answers the question "What happens when you cross a Monty Python enthusiast with a musical theatre geek?" Winner of three Tony awards, including Best Musical, *Monty Python's Spamalot* will have you laughing out loud and singing "Always Look on the Bright Side of Life" on your way out of the Wisconsin Union Theater.

"It's a wonderful night, and I fart in the general direction of anyone who says otherwise."

Charles Spencer, *Daily Telegraph*
