
My neighbours

Pastor Tuula

Parents

Teachers

Police and Firefighters

People who are sick

People who are hungry

My church

My family

People who lead this country

People who are sad or lonely

To be a better friend

Ask for something you need

For something someone else needs

For help with a problem

To help someone you know who has a
problem

For someone who needs to know that
God loves them

To know that God loves me

A person I have trouble liking

Peace
