Limited Edition Oil-On-Canvas Replicas, virtually indistinguishable from the originals

Touch the Beauty. Feel the Passion...

A Magnificent Collection of Limited Edition, Artist Enhanced, Oil-On-Canvas Replicas

Great Impressionist & Contemporary Masterpieces

Atelier America Inc. is proud to present a prestigious collection of near-perfect recreations of the world's finest art treasures. The Impressionists captured the essence of light, the form of beauty, and the joy of color. Monet, Renoir, Cézanne, Van Gogh and others painted their own visions of the world, not the world as it existed. This fresh outlook signified the dawn of modern art and a collective reaction against flat 19th Century studio painting. Their glorious landscapes, portraits and still lifes will warm the heart and touch the soul forever.

BRUSHSTROKES™ - Masterpieces Brought to Life

BRUSHSTROKES™ is a modern miracle! An exclusive, revolutionary replication process developed by Atelier America Inc., BRUSHSTROKES™ recreates not only the vibrant color and shadings of the original paintings, but also their rich, textured brush strokes. Touch the canvas. You can literally feel every swirl and sweep of the artist's brush. Our state-of-the-art patented process uses advanced laser, optical and molding technology to produce astounding replicas of timeless treasures – alive with depth, color, light and shadow.

Each magnificent BRUSHSTROKES™ oil-on-canvas is a genuine expression of the artist's intent. These color-intense, textured recreations evoke powerful emotions that other "flat", lifeless imitations can never elicit. Imagine being able to own the beauty of Monet's "Water Lilies" sparkling in the water, Renoir's sun-dappled crowds, Bierstadt's luminous mountains, or Frasca's tranquil Mediterranean seascapes.

BRUSHSTROKES™ ENHANCED: The Ultimate Expression

For the discriminating art lover, Atelier America Inc. offers yet another dimension of richness, depth and texture. In pursuit of perfection, our Master Artists add - by hand - actual oil paint to each painting, thus making each one unique. A BRUSHSTROKES™ ENHANCED painting is virtually indistinguishable from the original.

Limited Editions & Certification

To protect and preserve the integrity of these remarkable images, each BRUSHSTROKES™ painting will be numbered and authenticated on the back of the canvas, then framed and delivered according to the sequence in which orders are received – until the edition limit is reached.
