**Cremant de Loire Brut (£6.79, Aldi)**  
If you are looking for a bottle of Valentine's bubbles that won't break the bank, look no further - this fantastic French fizz full is full of lemon and apple juice flavours, and is a serious bargain.

**F'oz Dao 2012 (£7.99, Tesco)**  
I am a big fan of Portuguese reds, and this example from Tesco is a cracker with it bold, up-front cassis and raspberry fruit and dash of spice. A good match with hearty, meaty dishes.

**Elegant Frog Viognier 2013 (£6.75, Sainsbury's)**  
A funny name for a serious wine – a classy white with peach and pear drop flavours, and a hint of vanilla. Guaranteed to impress your dinner-date this evening.
