## DRINK CHOICES

### F'OZ DAO 2012

**£5.99 until April 24, Tesco (13%)**

The cool, salty Atlantic air gives this coastal Portuguese blend its vibrant red fruit and fresh acidity, and at £6 it's a steal.

### DOMUS GASCOGNE SAUVIGNON COLOMBARD

**£8.75, WoodWinters (11%)**

For all its relative lightness, there's plenty going on in this southern French blend with its apple, cut grass scent and clean citrus bite.

### SIEGEL RIESLING 2011

**£9, WoodWinters (8.5%)**

The Germans are masters of naturally low-strength wines as in this lovely honeyed, nutty, off-dry riesling from the Mosel.
