# TERTIUS

*freedom  
of expression*

100 % Tinta de Toro

## Visual

Intensely coloured wine, with cherry and dark crimson tones. Its fine robe contains purple and violet hues attesting to its youth and freshness.

## Smell

Red fruit notes: such as the blackberry and cherry. In the background there is a certain reminiscence of a creamy yoghurt, reflecting a proper malolactic fermentation.

## Taste

Smooth flavour. Initially fruity and sweet, the concentration of its elements stands out.

## Pairing

Perfect accompaniment to all types of meats, preferably those of a more tender texture, as well as cheeses and pâtés.
