Ken:

Please accept this letter as our desire to work with you this upcoming year. Our price would be the same as the previous four years \$17,405.00. Last year we were asked not to supply fertilizer and we deducted \$ 1,775.00 making the contract \$15,630.00. We would maintain that price \$15,630.00 for the 2016 season.

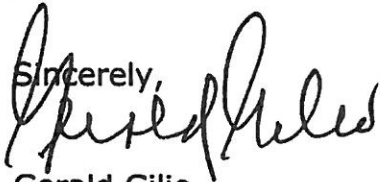

I have attached schedule of prices from the previous contracts.

We look forward to working with you and have enjoyed working for the Township the past four years.

Should you have any further questions please contact me.

Thank you.

Sincerely,

Gerald Gilio
