Welsh Athletics Race Licence:

Introduction

Welcome to the Welsh Castles Relay 2019. This is the 37th running of the race, again a remarkable achievement for an event of such complexity. Your cooperation is vital to help run the event smoothly and safely.

Please read through this document carefully to be aware of any changes this year.

ESSENTIAL INFORMATION: All information required by team captains is contained in this reference book. Please copy all relevant information to runners, marshals and drivers.

SAFETY: Please stress to your runners and supporters that they must comply with the instructions of marshals and officials at all times. Instructions are mandatory, not optional.

We will not hesitate to apply a penalty or disqualification if any runner endangers their own life, or indeed the lives of others, by ignoring the race rules or instructions from marshals.

MARSHALS:

- The role of marshals is to help ensure the safety of all who take part. It is the responsibility of the team captain to ensure their team fully understand IN ADVANCE what they have to do, where they need to be and when they need to be there.
- Penalties will apply if marshals do not turn up for duty or do not stay in place until officially released by the sweep vehicle.

TRANSPORT: Please use shared transport only to help keep race traffic to a minimum.

The Welsh Castles Relay is organised by John Griffin and Phil Cook (Race Directors), Tim O'Sullivan (Race Administrator), Mike Davies and Graeme Donnan (Marshals & Officials Coordinator), and Jeff Aston (Race Referee). John Upstone provides the online registration and results service. They are assisted by many officials and marshals, whom we thank for their continued support and dedication. Good luck everyone and enjoy the race!

A.2 Risk management: Code of Practice

The organisers follow the requirements specified in the Run Britain 'Road Race Handbook' and Home Office 'Good Practice Safety Guide'.

The route is checked several times in advance from March onwards, including one final thorough assessment within the week leading up to the race. An update is then issued to the teams at the pre-race briefing. The measures taken include:

	Measure	Notes
1	Advanced signing on approach to course	Warning signs will be posted to warn traffic at all changeovers.
2	Safety signs	Safety signs will be placed at all locations indicated in the route description. It is not thought necessary to provide notices at other locations, since there is no risk that traffic will not be aware of the presence of runners.
3	Safety briefing to all competitors	All competitors will be asked to sign their agreement to the safety provisions put in place for the race. At the start of each stage the competitors will be reminded that they have made this agreement and afforded the opportunity to raise any questions.

4	Safety briefing to all marshals	<p>There are three categories of marshals:</p> <p>Full-time</p> <p>These marshals will be on duty at every changeover. They are fully briefed as to their duties and responsibilities prior to race day. One of these duties is to coordinate the one-time marshals assigned to the changeover to ensure they understand their duties and are in the correct locations.</p> <p>Flying Marshals</p> <p>These are experienced marshals who will be on duty at specific crossing points to support the one-time team marshals in order to reduce the risk to runners. They are fully briefed as to their duties and responsibilities prior to race day.</p> <p>One-time</p> <p>These marshals will be on duty at each of the stated marshalling points along the route. They are drawn from the competing teams.</p> <p>Their Team Manager/Captain will fully brief them on their responsibilities and duties prior to race day and also provide them with copies of the relevant documentation.</p>
5	Compliance with traffic law by competitors / officials / marshals	All race traffic and participants must comply with road traffic legislation. Consideration must be given to other road users and the general public. Each leg of the race will start when there is an appropriate break in the traffic, monitored by marshals.
6	All marshals to wear hi-vis clothing	All marshals will be supplied with a high visibility tabard.
7	Advanced liaison with interested parties	All Police Forces and Councils through which the race passes are notified of the event. When route amendments are suggested by an authority these are discussed and can be incorporated.
8	Event vehicles to be identifiable	All official vehicles will be clearly marked. All teams will be told to display team identification on their support vehicles.

A.4 Ensuring the safety of runners, supporters and the general public

Our paramount concern must always be for the safety of runners, supporters, officials and the public. Please stress the point among your team members that they must comply with the instructions of marshals and other officials. **Instructions are mandatory**, not optional.

If you perceive that some action by person associated with the race may compromise safety, please act, do not look the other way. **You must inform a race official.**

A.8 Presentation ceremony

The finish and awards presentation will be within Bute Park by the Blackweir Ambulance station and changing rooms at Blackweir playing fields. Please put a strong runner on stage 20 so they do not miss the presentations.

A.9 Prizes and Awards

The Castles is primarily a team event, but individual achievement is also recognised.

Team awards

Whole race: the shortest cumulative time over all 20 stages.

- 🏆 1st open team – trophy and 20 individual awards
- 🏆 2nd open team – 20 individual awards
- 🏆 3rd open team – 20 individual awards
- 🏆 1st ladies team – trophy and 20 individual awards

- 🏆 First team: Kings of the Mountains (open to all categories)
- 🏆 First ladies team: Queens of the Mountains (ladies category only)
- 🏆 First veterans team: Monarchs of the Mountains (veterans category only)

Note. No team may win more than one prize.

Individual awards

All stages

- | | | |
|---|----------------|-----------------------|
| 🏆 | Stage winner: | A commemorative shirt |
| 🏆 | First lady: | A commemorative shirt |
| 🏆 | First veteran: | A commemorative shirt |

Mountain stages

- | | | |
|---|----------------|----------------------------------|
| 🏆 | First man: | King of the Mountain's Trophy |
| 🏆 | First lady: | Queen of the Mountain's Trophy |
| 🏆 | First veteran: | Monarch of the Mountain's Trophy |

The rule about multiple prizes again applies. The first veteran may of course be male or female. Each individual completing a stage will receive a commemorative T-shirt.

The prize for the first veteran (male or female) on a leg is given to the first veteran after the first finisher. If the stage winner is a veteran, the prize will go to the next veteran to cross the finish line.

Jeff Wood Award

This year's the Jeff Wood Award will be presented for Stage 9. The Award is presented to the first veteran (male or female from any team category) over the age 50, so you may wish to consider this when choosing your runner for this stage.

In the 1998 Welsh Castles Relay, Jeff Wood, a founder member of the club and a much loved character, collapsed within yards at the finish of Stage 1 and died while running for the Les Croupiers veterans team (a finishing time of 01:29:22 was recorded). The 'Jeff Wood' Memorial Award is given every year to the first over 50 veteran to finish the nominated 'Jeff Wood stage' –a non-mountain stage as Jeff didn't like hills!

A.10 Penalties

The following penalties will apply. The organisers do not want to be draconian about this, but the penalties reflect the need to ensure safety, race etiquette and fair play at all times. **Team captains should ensure all members of their team (and supporters) are aware of these:**

A. Failure to submit an eligible runner to run the stage, or failure of the runner to show on time. Showing on time is defined as having been confirmed as present at the stage roll call and on the start line for the official start whistle.	Cut off time plus 15 minutes (see B.14 and B.15)
B. Runner failing to finish within stage cut off time.	Cut off time (see B.14 and B.15)
C. Failure to withdraw from the race if requested to do so by an official (if disqualified or not running at adequate pace to make the stage cut off time).	5 minutes on each occasion, cumulative, and disqualification on 3 rd occasion. This will be added to the penalty shown at (B) above.

A.11 Results

The display of results on the boards will depend on local circumstances, however Jeff Aston plans to put them up at end of stages 3, 6, 10, 11, 14, 17 and 20. Team captains should notify officials with any corrections or queries with regards to the results as soon as possible.

TEAM CAPTAINS MUST ENSURE THEIR RUNNERS ARE FULLY BRIEFED IN ADVANCE AND COPY THIS INFORMATION TO THEM.

B. Information for runners

We hope this is a safe and enjoyable weekend for all concerned. Please cooperate with the marshals and officials and show consideration for the public and other road users.

We will not hesitate to apply a penalty if any runner endangers their own life, or indeed the lives of others, by ignoring the race rules or instructions from marshals.

B.1 Penalties for runners

These are detailed in Section A.10 above and will be strictly applied.

B.2 Race numbers

Each runner must have two numbers, one fixed on the front and one on the back.

- Veteran runners must ensure that the identifying 'V' on their front is visible.
- Female runners must ensure that the identifying 'F' on their front is visible.
- Senior men (under 40+) should remove the 'V' and 'F' from the race number.

Know your squad number

Each runner needs to know their individual squad number – this is the number allocated when they were registered online. This number needs to be given by each runner at roll call for the start of their race.

For same-club teams: if a runner steps in for a different team (but the same club) then they need to **wear the revised team number** BUT still give their original squad number.

B.3 The start of each stage

When the Starter is ready, please make yourself known and give **your team and squad number**. Without the squad number you will appear in the results as an unknown runner and may incur a penalty.

When the Starter has registered all runners, and within a few minutes before the start of the stage, he will call out the name of each team. Please make yourself heard when your team name is called.

If you are late we will not delay the start. **You will not be permitted to join the race if you miss the start.**

B.4 Etiquette and safety on each stage

There will be a safety vehicle following each leg advising other road users that a race is in progress. There are also two fully equipped first aid vehicles with medically skilled staff.

The roads will not be closed. Runners must run in accordance with the directions described in the route description and as instructed by the race marshals. Runners should only cross the road at the designated crossing points and when directed by the race marshals. Normally run on the left hand side of the road but follow the directions given by marshals.

B.5 Hydration

Teams are encouraged to hand out water to all runners but on some stages access can be difficult so if in doubt, please run on a self sufficient basis. Runners are given water at the finish of each stage.

Stage 6: Two water stations will be provided on Stage 6, the first at 3 miles and the second at 8.5 miles.

Stage 8: Three water stations will be available on Stage 8 at 1.75, 4.8 and 7.9 miles.

For safety reasons there must be no unofficial feeding of runners on Stage 8

B.6 The route

It is the runner's responsibility to follow the correct route. There is no lead vehicle on any stage of the race. Maps of routes are shown online <http://www.lescroupiersrunningclub.org.uk/wcr-stage-maps/>

There are no lead vehicles. Cyclists will lead on off road sections to warn pedestrians that a race is coming their way. It is each runner's responsibility to know the route, but there should be marshals at all points where there is a need to cross a road as indicated in the route description. Each runner must make themselves familiar with their stage.

Every attempt will be made to put prominent route markers at significant locations (**green painted arrows**). There are no mile markers. A '1 Mile' to go sign will be placed where possible.

When you reach the finish line, the Timekeepers will record your time and number. Do not distract the timekeepers by asking for your time or place.

After finishing runners must not re-cross the finish line nor run back along the stage. Failure to comply **will** compromise your time and team's position.

B.7 Medical support

Medical support will be provided by medically trained staff who will follow each stage of the race. Teams will be given details of this service and contact numbers in advance. If you are involved in an incident please remain at the scene and do not transport the casualty to any other point. Make sure that the medical service will be able to find you quickly by being visible; do not place the casualty in a vehicle.

Any serious incident should be reported to the emergency services 999 immediately. Please also report any incident to the Race Directors - John Griffin 07891 453972 Phil Cook 07968 374467.

B.8 Serious incidents

If you witness an incident (such as a complaint from a member of the public, a mishap involving a runner, a vehicle or supporter) please inform a race official and they will contact the Race Directors in order to complete an 'Incident Form'.

B.9 Late finishers

Every stage has a cut-off time. Timekeepers cannot remain at the finish after the cut off time. If you appear to be in difficulty or are not running at a pace likely to make the cut off time then the safety vehicle official will withdraw you from the race. If you fail to finish within the cut off time then the cut off time will be given. If you refuse to withdraw from the race then penalties will be applied (see B.1 above). It is the responsibility of your team to collect you.

B.10 The end of the race in Bute Park, Cardiff

This year the finish of Stage 20 and the presentations area will be sited next to the Blackweir Ambulance station and changing rooms on the Blackweir playing fields within Bute Park. Results will be processed as quickly as possible to enable a swift announcement of winners.

B.11 Accommodation

Arfon Leisure Centre, Caernarfon LL55 1HW

Free overnight accommodation on floor mats will be provided. There will be no access to the Leisure Centre before 21:00 and after midnight on Friday. There is a tea/coffee and other vending machines on site for the evening and the café is usually open for breakfast on Saturday morning from 07:00. Please note there is no camping available here. We do not have permission to use the adjacent school pitches.

Newtown High School SY16 1JE

Free camping space is given at Newtown High School playing fields on the Saturday night from 17:30 to Sunday morning 08:00am. Maldwyn Leisure Centre which is adjacent will give access to showers, toilets and changing until 22:00 on Saturday and from 5:30am Sunday. There is no overnight accommodation available within Maldwyn Leisure Centre. **If using the fields please clear away all rubbish and camping equipment before you leave.**

Please ensure you behave responsibly and courteously to all fellow runners and leisure centre staff at all times. Failure to do so may result in your team being withdrawn from the race in future years.

B.12 A link to stage details and maps

Details of all twenty stages of the Welsh Castles Relay race can be downloaded from the following site: <http://www.lescroupiersrunningclub.org.uk/wcr-stage-maps/>

B.13 Changeover timetable, cut-off times, records and estimated timetable

Please note that route details include a succession of interim cut off times to complete the distances in the required time. Please see the table in B14 for details

Runners and Team Captains are asked for their cooperation in ensuring that finishing cut off times are not compromised. It is vital for the smooth running of the relay that time keepers and other officials are allowed to continue with their duties at subsequent stages.

Clubs will be responsible for their runners should they fail to meet cut off times.

C. Information for drivers

Please distribute this section to the drivers of your team's shared vehicles

C.1. Safety

Please ensure everyone, no matter what their role, acts in a responsible way with concern equally for the safety of the general public and other road users.

Everyone is responsible for safety, not just the race organisers.

Race officials will disqualify or penalise runners or teams for breach of safety or ignoring instructions from officials or marshals.

Here are rules for drivers to reinforce safety:

- **Do not hand drinks to a runner from a moving vehicle.**
- **NO feeding runners on part of stage 3, part of stage 7 and NONE on stage 8.**
- **Drive very carefully and slowly when among runners, giving them a wide berth.**
- **Park sensibly and legally at all times, with consideration to all road users and local residents. DO NOT block access to private driveways.**
- **Use designated car parks at start and finish areas.**
- **All vehicles must display a visible race team number**

C.2. Instructions to race traffic

As traffic congestion problems are guaranteed, we ask for your cooperation in resolving them. At those locations where parking is limited please ensure that no more than one vehicle parks close to the start or finish areas. Please drop-off runners and park away from the immediate start or finish area. In most cases there is parking within 400 metres, so please use these facilities.

Look carefully at your road map, don't rely on sat-nav, and use alternative routes.

C.3. Team support vehicles

All vehicles must display a visible race team number to identify which vehicles are with the race.

When stopping to support runners, please park sensibly so that your vehicle is not causing a hazard.

If you are required to deliver your marshals to their duty locations please do so promptly for a late arrival at your marshalling points could endanger the lives of the runners on that stage. Do not stop to support until you have delivered your marshals.

C.4. A summary of the route

Note: In Wales postcodes cannot be relied upon (especially in rural areas) so please use maps and do not rely solely on sat-nav.

TEAM CAPTAINS MUST ENSURE THEIR MARSHALS ARE FULLY BRIEFED IN ADVANCE AND COPY THIS INFORMATION TO THEM.

D. Information for marshals

For safety reasons it is essential that marshals are in their allocated places by the time indicated in the route description. It is the responsibility of Team Captains to fully brief the marshals on their duties well in advance (see below), and provide the details of the stage(s) for which they are responsible. Penalties will apply if marshals leave their stations before being formally released.

D.1. The duties of marshals

The role of marshals is to ensure the safe running of the race at their allocated location. To this end marshals must be aware of the movement of traffic and the route of the runners.

Marshalling duties

- At a crossing point:

At least two marshals at each crossing point, one for each direction of the traffic. The marshals must ensure that the runners cross the road safely. When there is traffic on the road the marshals must ensure that the runners do not attempt to cross until the road is clear.

- At other locations:

The marshals must ensure that the runners follow the designated route, remaining on the side of the road as directed in the route description. **A marshal must be (politely) assertive when necessary** but direct runners with consideration.

- Flying Marshals:

Four teams of experienced marshals with a good knowledge of the route and hazards will travel the route. They will support and organise the team marshals at some locations to reduce the risk to runners. If you are marshalling at one of these points please cooperate fully.

- Start and Finish areas:

Marshals will also be allocated to the changeover points to assist the Start and Finish Teams. Their role is to ensure race traffic parks correctly (and not blocking private driveways), to ensure the safety of runners, to alert pedestrians of the approach of runners and to keep the approach to the finish clear.

The general principles used for deciding which points require marshals are as follows:

- Roads joining from the side of the road the runners are using (normally the left).
- Any point where the runners must cross a road.
- A bend in a road where runners may be inclined to cut the corner or cross the road.
- Any location where runners need directing onto the correct route
- Minor roads, lanes and house/business entrances joining from the route rarely pose a major hazard.

However, according to circumstances on the day, marshals must be prepared to use their initiative and marshal any location that may unexpectedly present a major hazard during the race.

D.2. Signs

CAUTION signs will be placed at each start location, finish location, each crossing point and at other locations described in the route description. The purpose of the signs is to warn traffic to take heed of runners.

D.3. A list of the responsibilities of marshals and how it all works

In sections D.4, B.15 and D.5 respectively, you will find:

- a list of all the teams indicating which stage each team marshals and how many marshals are required
- precise route details and marshalling points for each stage
- maps to help you find trickier marshalling locations.

All marshals must comply with the following important instructions:

- For each marshalling point the time you must be at your duty point is listed in the route description. It is timed so that you **arrive 10 minutes before the lead runner**, to allow you to familiarise yourself with the location.
- The end time is an estimate of the time of the last runner. **You must not leave before the last runner**. You will know when the last runner goes by, for you will see the backup vehicle. The backup teams have been asked to ensure that any runner going at a pace less than the cut-off time is to pull out.
- If you fail to show or leave early your team will incur a penalty (given to each offending marshal per stage). See A.10. Information on the number of marshals required and description of duty is given in this handbook.
- Marshalling bibs are issued to each club's representative at the pre-race briefing which is held in Arfon Leisure Centre, Caernarfon. **Wear your bibs at all times whilst marshalling**. At the end of your duty give the bibs to the driver of the backup vehicle, or hand them to one of the officials at the next changeover.
- Leave the signs where they are (unless otherwise requested) because the route marking team will collect them.
- Your Team Captain must provide you with a copy of the description in advance for the stage to which you have been allocated so that you will know your marshalling responsibilities.
- Above all else, safety is your first responsibility. This may require a runner to stop on your instruction to avoid a potential accident. Runners must never cross the road or a junction without your guidance. Act clearly to both runners and motorists alike.
- **Take the number of any runner who ignores your instructions and inform the Race Referee (Jeff Aston 07814 879927).**

- Remember it is very hard to hear what people are saying when you are running, so make yourself understood with clear arm gestures.
- Don't get angry with road traffic and be pleasant and courteous always.
- If you must ask a member of the public to stop or move, please do so politely and thank them afterwards. It is **vital that we do not upset any member of the public** as we need their support.
- If the police turn up then tell them what is going on and tell them that all police forces and local authorities have been informed and that we have a Race Licence issued by Welsh Athletics. If they have come to help then that's excellent, so just tell them where the runners will be coming from and where they will be going. Help out by indicating when a runner is approaching by shouting or waving.
