To authors of abstracts accepted for Nordic Water 2012

Submission of full paper to HYDROLOGY RESEARCH

Authors of accepted abstracts for *Nordic Water 2012* in Oulu, Finland are invited to submit a full paper for consideration in a special issue of HYDROLOGY RESEARCH comprising papers originating from the conference. The papers must comply with commonly accepted criteria for publication in scientific journals and be formatted according to the requirements posted at <http://www.editorialmanager.com/hydrology/>

Papers must be submitted online to <http://www.editorialmanager.com/hydrology/> latest at December 1, 2012.

This deadline is chosen to allow for sufficient time to prepare a full journal paper. Thus we look forward to receiving a great number of interesting papers based on the presentations given at the conference. When you submit the paper, please choose the special issue option and select "Nordic Water 2012".

All submitted papers will be peer-reviewed according to the usual practice of HYDROLOGY RESEARCH and the same standard as ordinary issue papers will be maintained.

The responsible guest editor of the Special Issue will be Prof. Björn Klöve. Subeditor is Ms. Hanna Arola (e-mail: hanna.arola@ymparisto.fi), who will respond to all enquiries.

I welcome your contribution.

Yours sincerely,
Chong-Yu Xu
Editor (NHF), HYDROLOGY RESEARCH
