To authors of abstracts accepted for Nordic Water 2014

Re: Submission of full paper to HYDROLOGY RESEARCH

Authors of accepted abstracts for *Nordic Water 2014* in Stockholm, Sweden are invited to submit a full paper for consideration in a special issue of HYDROLOGY RESEARCH comprising papers originating from the conference. The papers must comply with commonly accepted criteria for publication in scientific journals and be formatted according to the requirements posted at <http://www.editorialmanager.com/hydrology/>. Please carefully follow the “Instructions for authors” when preparing your paper.

Papers must be submitted online to <http://www.editorialmanager.com/hydrology/> latest at December 31, 2014.

When you submit your paper to the journal you should choose the Article Type "Special Issue paper", and then the Section/Category "Nordic Water 2014 Special Issue".

This deadline is chosen to allow for sufficient time to prepare a full journal paper. Thus we look forward to receiving a great number of interesting papers based on the presentations given at the conference. When you submit the paper, please choose the special issue option and select “Nordic Water 2014”.

All submitted papers will be peer-reviewed according to the usual practice of HYDROLOGY RESEARCH.

The Special Issue will be guest edited by David Gustafsson (davidg@kth.se) with help of Chong-Yu Xu

I welcome your contribution.

Yours sincerely,
Chong-Yu Xu
