Landsvirkjun

 ORKUSTOFNUN

 Vatnamælingar
ORKUSTOFNUNAR

August 11-13, 2008
Reykjavík, Iceland

Purpose:

The Conference aims at an exchange of experience of hydrological research and practice conducted in different fields for comparing research priorities, methods, data, knowledge and results, acquired by different teams which are working for a better understanding of the hydrological phenomena and improvement of water resources management. The Conference will revolve around several themes, oral presentations; workshops followed by discussions and poster presentations. Technical exhibition will be held during the Conference

Venue:

The Conference will take place at Hótel Loftleiðir, Reykjavík, Iceland.
