Padraic Irish Wolfhounds

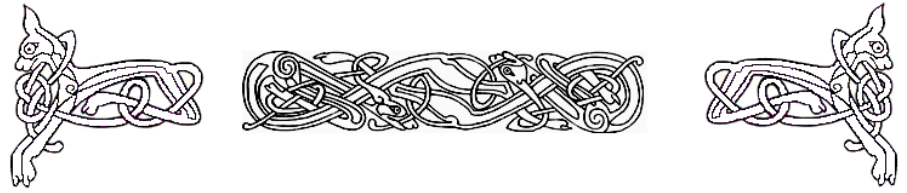

Evansville, Indiana

Mariellen Dentino, M.D.

I have loved and lived with Irish Wolfhounds for over 30 years and my house is still full of them! Padraic Brie Strawberry Girl- my Sara- gave me my most memorable conformation win when she was BOB at the Canadian National Specialty. Padraic Brie Eleanor LCM3 has been inducted into the ASFA Hall of Fame and Nelligan Fitzarran Trevor CD earned an LCM- rare for a male IW. There have been so many wonderful hounds- each teaching me something special. I was fortunate to find wonderful people to help and teach me. The most influential people for me personally were Phillipa Crowe and Bill and Betty Deemer- and then so many other smart and wise people I was able to learn from. The 9 hounds in my home today are all descendent of Padraic Brie Liadin co-owned with Debbie and Beth Chastain- with Debbie doing most of the work!! For generations I have had hounds that make my heart happy. I have judged sweeps for RMIWA and the National Specialty and found what hard work it actually is. I am a sucker for a beautiful head with the soft IW expression and an easy active ground covering side gait. I am a nephrologist for humans and so take care of many patients with heart disease. One night my first IW Patrick was lying on my lap and I thought-gee it feels like he is in afib. I had no idea dogs got afib or what kind of heart disease IWs had. After Patrick died of heart failure I was able to help start health studies for the Irish Wolfhound-again so lucky to meet and work with dedicated and hardworking people. It has been most rewarding to help many hounds. I have so many good memories of GLIWA. I am honored and appreciative to be asked to judge the "renewal" match. I look forward to seeing you and your hounds.
