MISSION STATEMENT

The Michiana Rental Association is committed to inform and educate our members about current significant property ownership, management, and legislative issues.

Members of our Association commit themselves to be a positive force in our community – particularly with our residents. This will be accomplished by providing better than average housing and conducting business by utilizing the principles of fairness, dignity, and respect.

I have read and understand the MRA Code of Ethics and Mission Statement. As a member of MRA, I agree to do my best to comply with these statements
