Emergency Shelter

Shelter Wish List

Thank you for your interest in donating items to the women and children residing in our shelter program. Below is a list of items that the shelter and residents could benefit from. When families enter the shelter, they generally come with very little. We would like to ensure that every child receives a toy as they enter the shelter. Additionally, our shelter is a violence-free environment; therefore, we request that no toy guns or toys of a violent nature are donated. Currently, we do not have a need for clothing items other than those listed below as our clothes closet is full. **THANK YOU FOR YOUR SUPPORT!!!!**

Please deliver donations to 766 S. Highland or call Kathy at 320-6002 for directions.
