

May 2012

Casco Days, a non-profit enterprise, run by the Casco Fire Association requests the donation of merchandise or gift certificates for our bonus prize raffle drawings. These drawings are held once each hour during our 3 day event. Chances are sold for \$1.00 a piece or 6 for \$5.00. While any and all donations are greatly accepted and appreciated, we would be most grateful if you could make your donation(s) in minimum value of \$5.00. We divide our weekend into 4 sessions: Thursday night, Friday night, Saturday, and Saturday night. Please consider giving something for each session. Our announcer will read your name over the loud speaker and the prize will be written on a board visible to all attending the event, thereby further advertising your presence and perhaps attracting more customers to your business.

All proceeds from Casco Days go toward improvement of the event and rides, games and building owned by the Association, support for the Casco, Otisfield, Raymond & Naples fire departments, scholarships and grants to community groups.

For more information please call me at 627-4181.

Our 2012 representatives are Sue Witonis and Sandy Fredricks. You may reach out to Sandy at 595-5678 to arrange for pick up of your donation. If you are providing a gift certificate, you may also mail that donation to Casco Fire Association at P.O. Box 183, Casco, Maine. If we have not heard from you by mid-June or early July, Sue and/or Sandy will be in touch with you to pick up any items you may wish to donate. We thank you for your time and generosity.

Holly Hancock
President
Casco Fire Association
