## End of Year, 2013

### MISSION

To provide children and adults going through difficult times,  
a handmade fabric bear to give them comfort and hope.

### Founder's Note

Dear Friends,

This has been a bittersweet year for *Bears of Hope*. At the start of the year, I was still grieving for my Mother and had a difficult time 'moving on'. I'm grateful to our volunteers for making bears, packing them and getting them delivered until I was feeling better and was able to manage the organization and help make bears.

#### THANK YOU VOLUNTEERS

I know, first-hand how meaningful our bears are to someone going through a trying time. My own *Bears of Hope* bear was there for me while I was grieving. Whenever I felt sad, I cuddled my bear. It made me feel better. My bear reminds me everyday 'get on with life'.

*Bears of Hope* brought so much hope and comfort to so many children and adults.

- ♦ 200 bears were given to children and adults with difficult life crises.
- ♦ Bears went with a "Mission to Cuba" group and given to a Cuban high-risk pregnancy clinic for women who loose their babies. The bears comfort the women at this painful time.
- ♦ Bears designed by children were sent to a woman's shelter. Children who came to the shelter with their mother were given a bear. The bears bring them comfort and made them feel safe.
- ♦ Veterans were given our patriotic bears. The bears put smiles on their faces.

**January 1, 2014, begins our 7th year.** Our plans include:

- \* Make 250 bears for children and adults
- \* Make 50 patriotic bears for veterans
- \* Participate in 3 special events
  - North Shore Community Bank's Children's Craft Day
  - Make a Difference Day
  - McCormick & Schmick's, Veterans Appreciation Day

#### Our work never stops.

The number of children and adults facing serious life crises increases yearly. Our bears give them the emotional support they badly need to feel better.

### BEARS REACH OUT

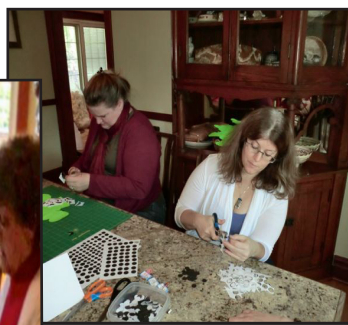

#### Bears of Hope Celebrates 'Make a Difference Day'

On Saturday, October 26th, we joined other organizations throughout the USA to celebrate, '**Make A Difference Day**'. USA WEEKEND and Points of Life sponsor this annual event. Each organization decides on its project.

##### Bears of Hope's project:

- Finish patriotic bears
- Work on bears for children and adults

Friends and Oakton Community College students joined us at Bears volunteer, Jamie's home. Various work stations were set up, so we could choose what we wanted to do. Everyone had a great time getting to know each other, working together, and doing something good for others in need. We met our project's goals.

### Veterans Shown Appreciation

We were part of McCormick and Schmick's Seafood & Steak Restaurant's annual **Veterans Appreciation Day** at its Skokie location, Sunday, November 10th. The restaurant gave veterans a complimentary entrée and we gave them a patriotic bear and thanked them for their service to our country.

Veterans representing all military branches came to the restaurant. Many had served in World War II; Korean War; Vietnam; Iraq or Afghanistan. Veterans told us war stories and how much they appreciated what we were doing for veterans. Bears volunteer, Danon said, *"I absolutely loved being part of this event. It was extremely rewarding to thank veterans for their service, especially the WWII vets"*.

The restaurant's General Manager, Aaron Torricelli, remarked, *"McCormick & Schmick's is honored to pay tribute to our veterans. Having Bears of Hope at our location, was an added bonus and a huge part of the event that meant so much to the veterans."*

*"You don't know how much this bear means to me. When we came home, nobody cared or wanted to do anything for us. I'm glad things have changed. Whenever I look at this bear, it will remind me, there are people who care about us. Thank you so much. You made my day!"*

## VOLUNTEERS CORNER

### Bears Drop-In

This past summer, we started a weekly Bears Volunteers Drop-In. Sheila said, *"Coming to the Drop-In allows me to meet and work with other volunteers. We do several things that need to be done such as : addressing envelopes, folding brochures, stuffing bears or cutting out labels. Every week we do different things. The time goes by so fast AND we get a lot done!"*

**Bears of Hope appreciates everything the volunteers do.**

**They make it possible to have bears ready for children and adults needing comfort and hope.**
