End of Year, 2016

MISSION

Provide children and adults going through difficult times,
a handmade fabric bear to give them comfort and hope.

FOUNDER'S MESSAGE

*We did it! The 2000th Bears of Hope bear was finished at our November Drop-in. This wouldn't have happened **without YOU**, volunteers and financial supporters. Your unwavering commitment to Bears of Hope means so much to me.*

*Since our beginning in 2007, over **2,050 bears** are being loved by*

sick children and adults.

During September - December, 96 bears were divided and delivered to our social service agencies for the sick children and adults under their care. This was their last delivery of bears until next year.

We also did many outreach events to involve the community in doing something for others in need and to make them more aware of what we do for sick children and adults.

September

*We had a “**Stuffing Party**” with residents at Brookdale Senior Living, Northbrook. Twenty residents came to stuff bears. (page 2)*

October

*Found us participating in Niles West High School's “**Volunteer Fair**”. We talked to students about volunteer opportunities at Bears of Hope. (page 2)*

November

For the 7th year, we joined Skokie's McCormick & Schmick's Seafood & Steak Restaurant 's “Veterans Appreciation Day” (page 3)

Four volunteers were welcomed to our team between November-December. There's always room for more volunteers. (page 3)

BEARS BIG NEWS

JANUARY, 2017 BEGINS TENTH YEAR

The journey has been incredible and satisfying. There's so much history about the good things Bears of Hope has done these past 10 years. Together, volunteers and supporters, we reached this milestone. Thank you for what YOU have done and continue to do for Bears of Hope.

Wishing you and your family a New Year filled with happiness, good health and peace.

SENIORS MAKE A DIFFERENCE

Senior residents from Brookdale Senior Living Residence came to *Bears of Hope's* "Stuffing Party" on September 9th. The seniors stuffed 42 bears for veterans and 12 bears for sick children and adults. One resident said, *"I felt so good doing something for the veterans. They did so much for us so we could live in freedom."* Bear volunteers **Sheila Mozin, Carolyn Reiner, Sandy Shuster, Yvonne Sloan & Sandy Taylor** assisted the seniors, as needed, and socialized with them.

VETERANS HONORED

Bears of Hope joined Skokie's McCormick and Schmick's Seafood & Steak Restaurant for its annual "**Veterans Appreciation Day**" November 6, 2016. The restaurant gave veterans a complimentary lunch or dinner entrée and we gave them patriotic-themed fabric bears.

Bear volunteers **Tanya Andressen, Marge Davis, Judy Litman, Sheila Mozin, Joanne Purvin & Carolyn Reiner** personally thanked the veterans for their service to our nation and gave them our patriotic bears. Sheila replied, *"I enjoyed meeting the veterans and listening to their service stories. They are so grateful for the bears."*

Marge met a **World War II veteran** who just returned from an **Honor Flight** and Tanya was excited to meet a veteran couple who met while in military service. She was an Army nurse and he was an Air Force pilot. After the service, they got married and raised 3 girls. Two of their girls are in the Air Force. One daughter flies Blackhawk helicopters and was named **2016 Pilot of the Year**. Their Dad said, *"I'm proud of what my daughters are doing for our country, but worry everyday about their safety."*

Restaurant General Manager, Aaron Torricelli, added, *"This was McCormick & Schmick's 19th annual 'Veterans Appreciation Day'. We are honored to pay tribute to our veterans. Bears of Hope was an added bonus and a huge part of the event that meant so much to the veterans."*

BEARS PARTICIPATE IN STUDENT VOLUNTEER FAIR

Bears of Hope had a booth at Skokie's Niles West High School "Volunteer Fair" Friday, October 21st. During the lunch periods, students came to our booth to find out about volunteer opportunities with us. **Bear volunteers Carolyn Reiner & Sandy Taylor** spoke to many students and twenty filled out our volunteer application. Kathie Odell, Director of Student Activities, at Niles West High School wrote:

Thank you so much for taking the time to attend our "Volunteer Fair". By providing volunteer opportunities for our students, Bears of Hope is helping promote our Mission of Community Service.
