When: June 17, 2010
Where: Clarian Saxony Jobsite
13186 Hamilton Commons Blvd
Fishers, IN 46037

Time: 8:00 a.m. – 1:00 p.m.

Cost: $25 Members
$35 Non Members

Special Thanks to Our Sponsors for this Event

The Information Exchange and Training Committee is proud to offer a unique opportunity for a hands-on learning experience.

On June 17th, industry partners will come together to offer excavation and trenching safety training.

BUT THIS IS NOT JUST ANY SAFETY TRAINING!

Beyond initial course work in a classroom setting, the instructor will take attendees into the field on the Clarian Saxony project to apply in a hands-on manner, what was learned in the classroom.

*Certificates of safety training will be sent out following this event.

Classroom Training

- Introduction & Objectives
- History of Standards Development
- The High Cost of Trench Collapse
- OSHA Excavation Standards
- Understanding & Classifying Soil Types
- Protective System Solutions
- Understanding Tabulated Data
- The Four Types of Trench Collapse
- On the Job: Good, Bad, and Ugly Examples
- Summary

On Site Training

- Trenching & Excavation Safety
- Rescue Procedures
- Proper Sloping, Benching, Shoring, Hydraulic Shoring
- Engineer Systems
- Surcharge Loads
- And More…

Don’t Miss this Opportunity for Hands-On Field Training!
