Our Ministry

Thank you for your interest and concern for ministry to college aged people. Years ago it could be expected that students who went off to college would fall away from the faith, but then eventually return to their church roots. That is no longer the case. Current research indicates that those students who fall away from the faith during their college years do not return to it as they get older. Unfortunately, college students are often forgotten by their home congregations, sent on their way with little more than a “Good luck and God bless!” Despite hearts that wish otherwise, the 18-25 age bracket is all too often the forgotten generation, out of sight, out of mind by many local congregations and other ministries. It is more imperative than ever that we have a vibrant campus ministry so that

- We serve students on campus by offering Bible study and Christian fellowship
- We reach out to students in high school to introduce them to campus ministry before they go to college or receive full time jobs if not attending college
- We build a bridge between our congregations and college students so these young men and women are sustained in their faith
- We create an opportunity to bring college aged people who don't know Jesus into the presence of God's Word
- We awaken in others the desire to serve this often forgotten demographic

Your Partnership

The Point of Grace (TPOG) campus ministry is largely supported by WELS and ELS members and congregations. You can support this important ministry to our college students by volunteering your time and talents to advance the ministry, and by donating your treasure to provide the financial support we need to operate this valuable ministry

We invite you to join us in our efforts by becoming an individual partner. Please fill out the attached application and mail it to the TPOG office at 2215 E. Kenwood Blvd., Milwaukee, WI, 53211 or fax it to 414-963-9320. Any information you give us will not be shared with any other organization, business or individual, but will be used to keep you informed about TPOG's ministry and events as you request it.

Whether you support TPOG with your prayers, talents or contributions (or any combination thereof), we thank you for helping us keep the message of Jesus Christ and his grace on our college campuses in the Milwaukee area.
