What's Happening at TPOG

Our November Gathering, hosted by Wisconsin Lutheran College, featured **Mr. Mike Anderson**, a television sportscaster for the Milwaukee Brewers. Thanks to WLC Senior **Erica Ellington** for her time and effort on the event! The students were inspired to receive the advice of an active Christian in a high-profile, secular position. If you have a story or advice about living your faith in a secular career, we would love to share with our students who are hungry to receive encouragement in this area!

We also did a service project at **Lighthouse Youth Center** at the Garden Homes campus in Milwaukee on November 20th. The organization exists to serve neighborhood kids, ages 10–18, with activities, mentors, and the Word of God. Our TPOG students prepared a chili dinner for the kids on Friday night and spend the evening hanging out. They enjoyed it so much we are planning two more visits to Lighthouse next semester. **Our students have hearts for service** and suggestions for volunteer opportunities are welcome.

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.” 1 Peter 4:10
