A Student's Perspective

Dear TPOG supporters:

The Point of Grace campus ministry is important to me because it gives me the chance to put my faith in action. You have the opportunity to share your faith with other students at your own college. Then once a month you have the chance to meet other college students your age and share and grow in your faith. You meet different people from other colleges in Milwaukee.

TPOG also gives you the opportunity to plan events, from The Gathering Series events, to a Travel-Canvass-Witness over a spring break. I have had the opportunity to do both. This planning of events has helped me grow professionally as well as grow in my faith. TPOG reminds me that even though college is a challenging time for everyone, your faith will help you overcome any obstacle.

**Sincerely,
Adam Schleis**
