Helping Hands for Haiti believes in equipping the people of Haiti with life skills. Providing livestock gives Haitians an opportunity to raise and sell the offspring to meet the needs of their family as well as using the animals for food.

Helping Hands for Haiti

Helping Hand for Haiti was started in 1990 by Dave and Jerilyn Hansen after they saw first-hand the poverty that is so prevalent in Haiti.

Helping Hands for Haiti is a non-profit organization dedicated to helping the poor and bringing hope to the lost. HHH is run by volunteers, so 100% of your donation goes to the area you designate.

Matthew 25:40 “The King will reply,’I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.”

Haitians are hungry for the Word of God. Most Haitians cannot afford Bibles. We enable families to learn about and apply principles of the Christian faith by providing paperback bibles and hymnals and talking solar-powered bibles in their own Creole language.

Bible School is provided along with crafts by mission teams that come to Haiti.

Helping Hands for Haiti helps children go to school. We provide students with books, shoes, school uniforms, and school lunch. We are currently feeding nearly 200 students a hot lunch at school. With food in their stomachs the children have a much better chance of learning. We know that for some of the children this is the only meal that they get that day. Helping Hands for Haiti not only supplies teachers with teaching supplies but also provides continuing education.

HHH encourages communities to become self sufficient such as the rice mill project that now pays the teacher’s salaries.

**Other projects underway**
- Sewing Machines
- Composting Latrines
- Water Filters
- Medical Clinics
