545 E. K Street, Benicia, CA 94510  
(707)745-5244 (707)745-6221 fax

## Authorization for Electronic Services

I hereby authorize Old Capitol Lock Services or its assigned agents to perform an electronic procedure on the Engine Control Module that I will supply to Old Capitol Lock Services. This electronic procedure will cause the Engine Control Module that I supply to have the ability to learn new transponder keys without an existing Pre-Registered Master Transponder key.

I also agree to correctly determine the owner of the vehicle and will gain his/her permission to have this procedure done. I will collect his/her Full Name, Address, Telephone Number, License Plate, V.I.N. #, Year, Make and Model.

## Disclaimer for Electronic Services

Old Capitol Lock Services does not warrant any circuitry in the Engine Control Module supplied to us. No liabilities for any use of the modified Engine Control Module are assumed whatsoever for any costs, claims, or damages filed for or caused by correct or incorrect use of the modified Engine Control Module.

Old Capitol Lock Services cannot be and is not responsible for any type of damage, intentional or otherwise, caused by the use of the modified Engine Control Module. Old Capitol Lock Services is not responsible for any type of harm, whether physical or otherwise, to the car dealer, parts supplier, locksmith or their customers due to correct or incorrect use of the modified Engine Control Module.
