

ACUFLO®

DOUBLE JUMBO INGROUND BOX

ACUFLO® INGROUND BOXES

ALL THE BENEFITS OF OUR JUMBO BOX WITH TWICE THE INTERNAL SIZE

Double lids provide easy access, suitable for large inline water meters, double check valves and multi valve installations, up to 6 manifolds can be accommodated into one large box. This is New Zealand's only inground box manufactured in superior strength Polypropylene allowing up to 50% more weight loading than Polyethylene for the same weight loading. Optional mounting base available to provide additional support and reduce the risk of mud infiltration. Metal detection rods fitted to underside of lids, and lids are secured to boxes with stainless steel exible wire. Superior antislip pedestrian tread pattern design exceeds AS/NZS 3661:1 (test report available) ACUFLO's full range of coloured lids are also available.

Typical Installation Use: Multi Manifold Connection; Commercial /Industrial large water meter connections; Commercial/ Industrial large Double Check Backow Preventer Connections and Community Sewage Vacuum Valve and/or pump stations.

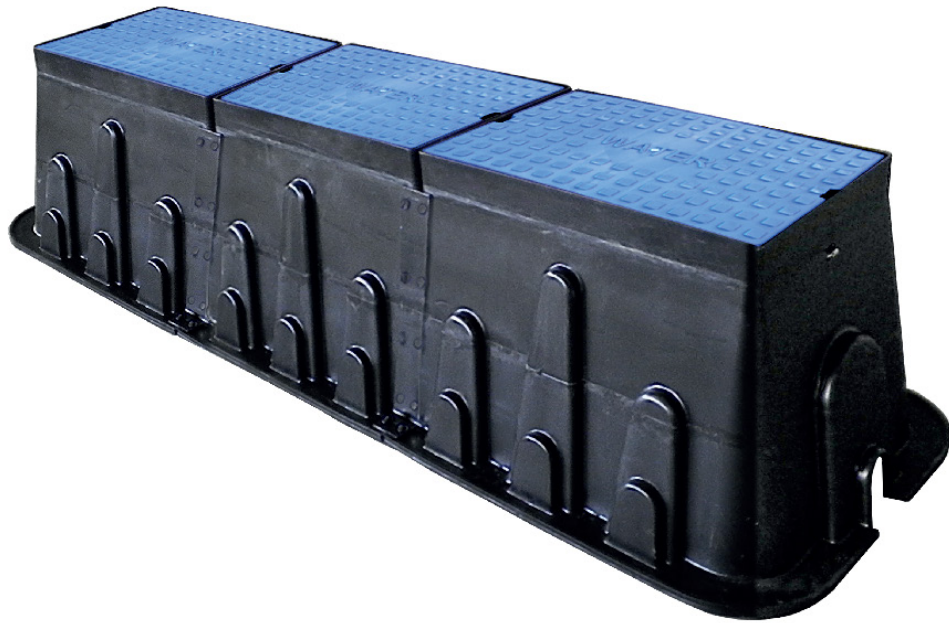

AVAILABLE IN 2 DIFFERENT HEIGHT SIZES

	Internal dimensions	Height under lid	Lid size
AMBJD250:	950mm x 350mm	240mm	860mm x 270mm
AMBJD320:	950mm x 350mm	310mm	860mm x 270mm

ACUFLO®

TRIPLE JUMBO INGROUND BOX

ALL THE BENEFITS OF OUR JUMBO BOX WITH TRIPLE THE INTERNAL SIZE
