June Horse Lover's Party- Saturday, June 6, 2026

(Girls ages 8-13)

Activities: In addition to a Western riding lesson, activities will include horse care, horse arts and crafts, a campfire, and a hay ride (weather permitting). Campers will be grouped according to their age. For the safety of our horses and riders**, we have a 200 pound weight limit for riders.**

Fee: The $75.00 fee includes all activities. **(Please note, we are not offering bus transportation for this program and campers will only be riding in the morning as we have other activities planned for the afternoon.)**

What to Bring: Campers need to bring a sack lunch, boots with a smooth sole and raised heel for riding, long pants, and appropriate clothing for the weather. It tends to be cooler here at camp, so layers are a good idea! Riding helmets MUST have an S.E.I. label. We have helmets that campers may borrow if they don't own one.

Please arrive between 8:30 - 9:00 am. Children should be picked up between 3:00 to 3:30 pm. **Please do not arrive early! Campers that need to leave early must be picked up between 12:15 to 12:45 pm.**

Register: Send application and full payment to Hoofbeat Ridge Camps. You also may register on our website (www.hoofbeat.org). Space is limited. Sorry, we do not take phone registrations. After your registration is received, we will email you a health form to complete for your camper unless we have an updated one on file for 2026. **Registration is not complete until we have an updated health form.**

Cancellations: Cancellations must be in writing and the fee is not refundable or transferable to other sessions.
